

Portrait 55"

Specifications Sheet

PORTRAIT ■ Specifications Sheet

The Portrait is an all-in-one, multitouch and motion-based standing kiosk. It features an LG commercial 55" 4K Ultra HD display rated 24/7 and industry-leading touch technology from 3M™ with support for 80 touch points. It is also designed to allow for the option of an integrated Microsoft™ Azure Kinect motion sensor for touchless interaction. The Portrait is equipped with a powerful integrated Intel™ 10th Gen Core processor, the latest NVIDIA™ discrete graphics cards, and single push-button power.

PORTRAIT ■ Specifications Sheet

The Portrait's sleek design is also incredibly tough. It is constructed from aircraft-grade aluminum and covered with a durable powder coat. Ideum displays use a patented manufacturing method. The Portrait is quality-built in the USA and ships as a complete turnkey system with lockable, push-button operation—just plug it in and turn it on. All of Ideum's hardware is backed by a three-year warranty.

- Audio output via 1/8" audio jack
- HDMI Output (PC)
- Communication hardware can be removed upon request for secure environments

Software

Ideum uses innovative custom software to tell stories that evoke wonder and spark curiosity about the world around us. Our expertise in a broad range of programming environments allows our work to span the realms of informal and formal education, interactive technology, gaming, art, and entertainment.

Multitouch Authoring

Ideum multitouch products include a free, lifetime license for GestureWorks 2 (upon request).

GestureWorks 2 is a multitouch authoring solution that works with C++ and Unity3D. It has nine basic built-in gestures and supports hundreds more using the extensible Gesture Markup Language. Licenses include ticketed, timely support* and free upgrades for life.

More information can be found at: gestureworks.com

RFID Utility

Ideum multitouch products include an RFID utility for enhanced functionality.

Our new and improved RFID software allows you to automate system tasks, launch and switch applications, and more with a single movement. This useful utility is free for Ideum touch table owners.

**Support hours provide dedicated time to troubleshoot any issues that may pertain to our software. Four hours of support are included free. Support hours are valid for the first year of purchase only. Annual support packages can be purchased as needed at an additional price. However, the Pro and Site Licenses are lifetime licenses. Please see our License Agreement for full details: <http://gestureworks.com/legal>*

About Ideum

Ideum is a creative company based in Corrales, New Mexico, USA. We offer exhibit design, AV, and software development services to museums, nonprofits, and socially responsible companies. Please contact us at (505) 792-1110 ext.1 or toll-free in the US and Canada at (855) 898-6824, use our online [inquiry form](#), or email us at sales@ideum.com. We sell our multitouch tables and displays directly both in the United States and internationally.

WARRANTY & SUPPORT

Our products are custom-built with only the highest quality components available and are designed to last. We back all of our hardware with a three-year warranty. The same people who design and build our systems provide our timely support.

IMPORTANT NOTICE TO PURCHASER: Specifications are subject to change without notice. Ideum hardware and software are warrantied from the ship date to the period stated in the warranty. Please note that under Ideum's warranty, Ideum has no obligation for any hardware product that is modified or damaged through misuse, accident, neglect, or subsequent integration, service, or tampering, by anyone other than Ideum or an Ideum-approved entity or individual. Ideum makes no additional warranties, express or implied, including but not limited to any fitness for a particular purpose. The User is responsible for determining whether Ideum hardware products or software are fit for the User's particular purpose. If the hardware product or software are proven not to have met Ideum's warranty, then Ideum's sole obligation and User's and Purchaser's exclusive remedy, will be, at Ideum's option, to repair or replace the product or refund its purchase price. Ideum shall not be liable in any action against it in any way related to the hardware products or software for any loss or damages, whether non-specified, direct, indirect, special, incidental or consequential (including downtime, loss of profits or goodwill) regardless of the legal theory asserted. Please see our full warranty for complete details.
